**FOR IMMEDIATE RELEASE** -- JESSUP, MD -- April 9, 2009 - As a result of the expansion of the voluntary recall announced by Setton Pistachio of Terra Bella, Inc. on April 6, 2009 regarding roasted shelled and inshell pistachios that Setton shipped from the 2008 crop year, Ann's House of Nuts, Inc. announced today expansion of its voluntary recall of certain packaged inshell pistachio products listed below. This voluntary recall is a precautionary measure because the product may be contaminated with Salmonella, and is not related to the peanut / peanut butter recalls.

Salmonella is an organism that can cause serious and sometimes fatal infections, particularly in young children, the elderly, and persons with weakened immune systems. Healthy persons infected with Salmonella often experience fever, diarrhea, nausea, vomiting and/or abdominal pain. For more information, please visit the Centers for Disease Control and Prevention's website at www.cdc.gov.

To date, no complaints or illnesses have been reported in connection with the products listed below.
